

## A NEW DAVIMAC FOR THE PAYNES

Terry and Tanya Payne of Woolbrook wanted to further develop their property by Pasture Improvement. Of the brands on the market, Terry and Tanya decided on a Davimac because of the inbuilt strength, simplicity of use and the product's quality finish. The Davimac ordered was a 19 Run- 3 Row @ 150mm Tyne spacing with Floation Tyres, Farmscan Hectare/Acre Meter and End Tow facility. The Paynes will also be controlling weeds and vegetation with the purchase of a Silvan 800 Litre Pasturepak Linkage Spray Unit, with a Foam Marker. The Davimac brand is proving very popular and this is one of a number of machines that will be delivered in the coming month.

## UPDATE ON FARRER

In October 2009 Farrer Memorial Agricultural High School received funding from the Australian Government to establish a Rural Studies Centre at the school. The School took delivery of a new New Holland T6030 tractor, a New Holland TZ18 small tractor, a New Holland H7230 Mower Conditioner, a New Holland BR7060 Round Baler, a McHale Bale Wrapper and a Davimac 19 Run 3 Row Maxiseeder.

The operation of the Farrer Farm and educational programs are tightly interwoven through industry specific courses leading to National Certification. Students will be using the equipment as part of their courses, including the introduction of tractor training in Year 10 Agriculture and the use of the tractor and seeder by Primary Industries Students in Year 11 and 12. In addition the Grain Production Class will use the specialty cropping and silage machinery to gain a Certificate III in Agriculture (Grain Production).

Over the school holidays and due to some welcome rain the forage crop at Farrer was ready to mow and Merv Leard (Goodwin Kenny's Hay Technician) was on hand to oversee the operation/use of the new New Holland H7230 Mower Conditioner.

Following this it was time to put the new New Holland BR7060 Round Baler to work—Merv was again on hand to ensure a smooth first run with the baler.

As can be seen by the photos taken, both machines performed exceptionally well.

## THE FACTORY REBATE IS HERE!!

New Holland have announced Factory Rebates on their range of tractors.

Rebates range from \$750 on the TT75 tractor to \$4,500 on the T9000 series.

Call in and look over the tractors in stock at Tamworth and Gunnedah and discuss your tractor requirements and ask about the Factory Rebate!

## SILVAN STORY

**FOUNDER of Silvan Australia, Michael Tricarico, has penned a book recording his life in Australia and the growth of the Silvan brand.**

Started in the 1960s, Silvan has become one of Australia's leading manufacturers of sprayers and spray equipment for horticulture and broadacre farming.

Michael has an extensive background in farming, especially with market garden produce, a result of his Italian heritage.

His father, Giuseppe, a young peasant farmer from southern Italy, came to Australia in 1926.

Giuseppe settled his family in Cunninghame, near Lakes Entrance, where Michael was born in 1931.

In 1946, Giuseppe moved the family to Silvan, in the foothills of the Dandenong Ranges, where he entered into a share farming joint venture growing strawberries and other crops.

When he was 15, Michael took produce to the Queen Victoria market in the family truck.

Still an unlicensed driver, he recalls in his book how he told a "white lie" about his age and convinced a Lilydale policeman he was experienced enough to get his licence.

The Tricaricos enjoyed five years of successful market gardening at Silvan and bought their first market garden freehold in 1948.

An enterprising Michael was soon acting as a grower agent, carting his family's produce and that of other local growers to the Queen Victoria market.

In the mid-1950s he accepted an offer from his godfather, Ralph Sabatino, to enter into a partnership in a wholesale fruit and vegetable business at the Queen Victoria market named R. Sabatino and Company.

Michael started distributing sprayers and pumps on behalf of Queensland manufacturer Marino Products in the early 1960s. As a result, Michael sourced more spraying and farming equipment from Italian and other European manufacturers.

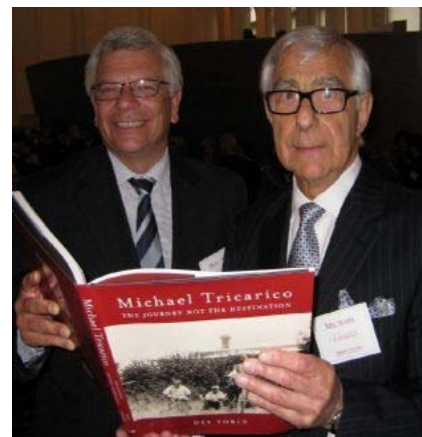

He also started designing and building unique sprayers and other agricultural equipment.

Michael made his first overseas business trip in 1971 and established relationships with many Italian manufacturers that still continue today.

Silvan now employs more than 200 people.

Michael, now approaching his 80th year, remains chairman of directors of Silvan Australia.

His book, *The Journey Not the Destination*, has more than 300 illustrations and meticulously records the family's history. It is published by Killaghy Publishing.

## CNH CAPITAL RETAIL FINANCE MADE EASY

When buying machinery New Holland understands that making the process easier is a key motivator in any customers purchasing decision.

CNH Capital understands finance rates, deposit amounts and repayment terms play a large part in our customers decision making process and where possible want to assist by making their purchase easy and financially viable.

## HYPRO BOOMLESS NOZZLE KITS

Eliminate the need for a spraying boom with the durable boomless nozzle that provides an efficient spray.

### Key Features:

- ◆ Attaches you your ATV rack and can run off your 12-volt pump Rakpak.
- ◆ Can be set for spaying one or both sides depending on the type of coverage needed and the type of pump used.
- ◆ Fitted with 30cm Ag hose for direct fit to Rakpak.
- ◆ M99-74 (1 Jet) ideal with 361-8000 series Shurflo Pump, 6.8 L/min open flow.
- ◆ M99-75 (2 Jet) ideal with 361-2088 series Shurflo Pump, 11.3 L/min open flow.

Part No: M99-74 **\$177.00 INC GST**  
M99-75 **\$221.50 INC GST**

## 70 LITRE RAKPAK

Ideal for safe and reliable spraying for most ATV's.

### Key Features:

- ◆ 12 volt Shurflo pump
- ◆ Shurflo 11.3 L/min open flow pump 310kPa (45psi)
- ◆ Handy lance holder securing lance with mobile
- ◆ Telescopic spray lance with adjustable nozzle
- ◆ Drain tap to ensure easy and total drainage of the tank
- ◆ Anti-spill barrier around tank lid to protect rider
- ◆ Pump cover with on/off switch to protect electrics
- ◆ 6 metres of quality 8mm I.P delivery hose
- ◆ Elastic hooked straps to secure hose
- ◆ Internal baffled design to maximise equal weight distribution and reduce surge

Part No: RP70N-S3 **\$819.00 INC GST**

**ON DISPLAY AT GUNNEDAH BRANCH  
NOW!!**

**JOKE OF THE MONTH**

**WOMEN WHO KNOW THEIR PLACE**

Barbara Walters, of 20/20, did a story on gender roles in Kabul, Afghanistan, several years before the Afghan conflict.

She noted that women customarily walked five paces behind their husbands.

She recently returned to Kabul and observed that women still walk behind their husbands. Despite the overthrow of the oppressive Taliban regime, the women now seem happy to maintain the old custom.

Ms Walters approached one of the Afghani women and asked, 'Why do you now seem happy with an old custom that you once tried so desperately to change?'

The woman looked Ms. Walters straight in the eyes, and without hesitation Said, 'Land Mines.'

Moral of the story is (no matter what language you speak or where you go):

**BEHIND EVERY MAN, THERE'S A SMART WOMAN**

**Just To Keep You Up To Date:**

Just a reminder about the Traffic conditions that have changed in Bridge Street at our Tamworth Branch. Please be aware of the No Stopping Signs, as we still have customers parking in this zone. If there is no room to park, please pull off the road onto the concourse or into our driveway. We are still talking to Council about some changes for the future.

We have a customer looking for a Second Hand 20 plate Disc Harrows...if you have a one of these that you no longer have a use for...contact me on 67655244.

The New Holland Plush Toys proved very popular during the Christmas period....we have these in stock so call in to our Spare Parts Departments and purchase yours. We also have in stock New Holland Sunglasses.

*....Susan Goodwin*
