

## A NEW HOLLAND H7230 DISCBINE FOR GREG SANSON

Greg Sanson of Orange Grove Road Gunnedah is pictured with his new New Holland H7230 Discbine Mower Conditioner. Greg was very happy with the performance and reliability of his New Holland 408 Mower Conditioner, so he chose to update to New Holland's latest offering, the H7230 which includes time saving "ShockPro" drive hubs and a wider 10'4" cut.

Greg also purchased a new H&S CR12 V Rake and traded a Tonutti linkage V Rake.

## HOWARD SPRAYRITE to PETER HEARN

Colly Blue residents beware!! Mad pom on the loose with his new Howard Sprayrite 600 litre rig, complete with 8 metre crossfold boom, foam marker and freshwater tank. (Nothing will be safe). Peter Hearn pictured about to head back to the bush to start spraying.

## HOWARD SAM BELT SPREADER FOR THE HANLENS

Alan and Luke [son] Hanlen, "The Wilgas", Marys Mount pictured with the new Howard Sam 8 Tonne Belt Spreader they have recently purchased. The solid construction, gear driven belt and hydraulic spinner drive were the features assessed when making the decision to purchase the "Sam". The machine, when pictured, had spread 70 - 75 tonnes of sulphate and ammonia and has plenty more to do. Alan and Luke were very pleased with the machines in-field performance, including the smooth ride from the tandem axles and the ease of operation. The Hanlens have traded their Amazone 3T spreader.

## A NEW MORRIS CONTOUR DRILL FOR GEOFF YOUNGER

Geoff Younger "Warriadool" Maules Creek pictured here with his new Morris Contour Drill, Geoff has coupled the contour drill to his existing Morris Air Cart to provide accurate planting over a wide range of conditions.

## A NEW DAVIMAC FOR THE TOUT FAMILY

The Tout family of Loomberah decided it was time to invest in a new Davimac Direct Seeder. They considered, after talking to Peter Goodwin, that the Davimac with coil tynes was the appropriate machine. Terry ordered a 22 run trailing on three rows with 150mm sowing spacings. Options fitted were the wide flotation tyres 400/60-15.5, a Farmscan Electronic Acre/Hectare display and 22 Presswheels.

Pictured at delivery and start-up were Ken Hatton (Goodwin Kenny Tamworth Service Manager), Wynta Tout and Dave McNab from Davimac.

## MARK FRAZER'S NEW DAVIMAC TD DRILL

Mark Frazer of Kelso Lane, Tamworth required a Davimac Direct Seeder custom built to his requirements. The machine was based on the 400lb breakout spring jump tyne assemblies, 16 outlet seed and fertilizer boxes sowing 4 metres @ 250mm tyne spacings. A 4 row machine @ 550mm frame spacings, 9mm frame thickness steel, 16 Press Wheels, 16 Outlet Small Seeds Box, 455 x 22.5 Tyres, Farmscan Acre/Hectare display.

Also fitted were Primary Sales Tungston Tipped knife edge points with Dual Banding sowing tubes. This versatile heavy duty machine will be ideal for Mark's sowing requirements.

Pictured: Mark Frazer and Dave McNab from Davimac.

## A NEW TT95D FOR THE GARDNERS

Colin Gardner of Milroy has upgraded from his New Holland TT75DT ROPS tractor to a new New Holland TD95D with a Front End Loader. Colin was very impressed with the additional features of the TD series tractor. Pictured with the new tractor is Colin's daughter Emily.

## DAVIMAC TARGETTING FARMER'S NEEDS

Davimac is continuing to produce new and innovative farm equipment which meets farmer's needs.

Business Manager, Shannon McNab, said the latest was a new machine called a Trash Drill, which he designed after requests from farmers for something to help deal with crop residues in paddocks.

"It's to compliment our existing line-up for handling high levels of trash," he said.

"The machine is capable of dealing with 3.5 metre to 5 metre sowing widths, and smaller areas as well."

"It's taken nine months for the machine to go from an idea to production ready."

"We've been getting quite a bit of inquiry for the machine, so it's already been designed and we're fitting it into the production line to get it made,"

Mr McNab said. "It will be used for cropping and pasture renovation with the ability to handle high level residue such as stubble and grasses. The Trash Drill also has a very heavy duty construction, which manufactured from 100 by 100 nine RHS."

Tamworth district farmers Mark Frazer and his son, Ben, "Nundah", have taken delivery of a Trash Drill. They farm 324 hectares at Bithramere and are moving to no-till farming, which is why they decided to purchase the versatile machine.

Mr Frazer said the Trash Drill would help conserve moisture, and allow for fertiliser and seed to be placed separately. He said the advantage of being able to keep the seed and fertiliser separate in the soil meant more fertiliser could be used. Another benefit was press wheels, which meant better seed/soil contact.

"I've looked at a few different ones, but just found Shannon to be more flexible in the design of the machine; he's prepared to make what we want," Mr Frazer said.

As well as using the machine on his own property, Mr Frazer said he also wanted to use it for some contract work as well.

## GOODWIN KENNY HAVE BEEN APPOINTED GYRAL DEALER FOR TAMWORTH, GUNNEDAH AND ARMIDALE

### GYRAL - IT'S AUSTRALIAN FOR AIRSEEDER!

When Albert Fuss invented and patented the world's first broadacre airseeder in 1956, little did he realise that his invention would revolutionise crop planting worldwide.

Gyral and the Fuss family remain at the forefront of tillage and seeding equipment development, and manufacture a range of machinery designed to "get crops out of the ground."

### GYRAL - TODAY

Gyral today has an extensive range of implements to choose from. Whatever your requirements, Gyral will have a product suitable for your application. They can supply secondary tillage cultivators, single purpose direct drill machines to multipurpose scarifiers and scari-chisel tillage equipment, with a compatible air seeders.

Gyral can supply your cultivation requirements from a single point to a complete seeding system. The team at Gyral strive to understand and adapt to the ever-changing needs of the agricultural industry. Our service and backup is second to none.

The Gyral service team, in conjunction with Goodwin Kenny will set up your new machine on farm.

You can take this opportunity to learn as much about the product as you can while they are there.

**70 LITRE "RAKPAK PLUS" ATV SPRAYER**

Fits neatly on the back of most ATV's.

Features include:

- ◆ Reliable Shurflo 12-volt Pump
- ◆ Lance holder
- ◆ Telescopic Spray lance with adjustable nozzle
- ◆ Pump cover with on/off switch
- ◆ Drain tap for easy and total drainage of tank
- ◆ Anti-spill barrier around the tank lid
- ◆ Internal baffle design to reduce surge
- ◆ 11.3L/min Pump

WAS \$819.00 **NOW \$759.00** Code: RP70N-S3

**4 METRE CROSS FOLD BOOM**

- ◆ Designed for rear carry-all on most farm vehicles
- ◆ Adjustable height and easy fold mechanism with breakback
- ◆ Non-drip nozzle assemblies and XR11002-VP Teejet nozzles
- ◆ Mounting brackets supplied
- ◆ Stainless steel spraylines

WAS \$804.00 **NOW \$724.00** Code: RP1-26

**15 LITRE CHAPLIN BACKPACK SPRAYERS**

Your choice of piston pump or diaphragm pump version. The new Diaphragm pump model is ideal for wetttable powders. Both units features include:

- ◆ Viton equipped, chemical resistant O'rings and seals
- ◆ 4 pressure settings from 15-60psi
- ◆ Easy operating spray handle for left to right handed use
- ◆ Spray handle with continuous spray feature
- ◆ Supplied with 3 different nozzles:
  - Adjustable brass, adjustable plastic & flat fan plastic
- ◆ Surespray anti-clog filter in tank, filter cup in lance
- ◆ 4kg dry weight

WAS \$148.00 **NOW \$133.00** Code: CP-61800

**SX 500 SPREADER**

Suitable for spreading a variety of fertilisers, salt and sand as well as sowing rice, wheat and other cereals. 338 litre capacity. 3 easily selectable spreading patterns, spreading disc with 4 rotor blades able to be set in 5 positions.

**\$979.00**

**JET TRIGGER SPRAY GUN**

Extremely lightweight and comfortable spray lance supplied with extension lance and brass adjustable nozzle.

WAS \$85.00  
**NOW \$78.00**

Code: 411-26

**TRIAM 44 SPRAY GUN**

A polypropylene hand gun with a sturdy stainless steel/brass barrel. Trigger controlled spray pattern from wide cone to straight stream. Comes with hose swivel, a cone and fan nozzle

WAS 169.00  
**NOW \$155.00**

Code: 410-11

**2 SIDED BOOMLESS NOZZLE KIT**

No need to worry about boom damage on fences or gates. Code: M99-75

Features include:

- ◆ 7 metre spray width
- ◆ Clamp to attach to your ATV rack
- ◆ Fittings for your 12-volt pump connection
- ◆ Blanking cap to spray one or two sided
- ◆ Fitted with Shurflo hose connector for direct fit to Rakpak, Trukpak or Utepak
- ◆ Ideal with Shurflo 2088 series 11.3L/min 12-volt pump

WAS \$221.50 **NOW \$199.00** Code: M99-75

**300 & 400 LITRE DIESEL UNIT**

Internal baffle design to reduce surge

**300 Litre**  
 WAS \$1250.00  
**NOW \$1125.00**  
 Code: SQD300-1

**400 Litre**  
 WAS \$1349.00  
**NOW 1214.00**  
 Code: SQD400-1

**ALL PRICES INCLUDE GST. OFFERS VALID TO 30/04/10**

## MONTHLY WINNERS

Congratulations to our Challenge Cap Winners:

D & S Howard at Manilla, A Rutherford at Manilla, SA & RT Gordon at Narrabri

This month we have 3 NEW HOLLAND BEANIES to give away - simply return your payment by MONDAY 26TH APRIL 2010 to go in the draw.

We would also remind customers that we accept Visa & MasterCard over the phone and Debit cards may be used at Tamworth and Gunnedah Branches, and all payments by these methods are included in the monthly prize draw.

For customers who use internet Banking, our bank account details are:

Commonwealth Bank      BSB: 062 602      Account Number: 00 272 029

Please use your account number, name or invoice number as a reference.

ROLL UP!  
ROLL UP!

To the **Somerton P&C Circus Ball** on Saturday 22nd May 2010, at the 'BIG TOP' Somerton Memorial Hall.

The Circus starts at 7 PM.  
Dance to Heartland,  
Supper provided,  
BYO Drinks. Tickets \$35.

**Dress:** Formal, Semi Formal,  
Circus Costume.

**Bookings:** Tracy Swain - 67431804  
or Michelle Elson - 67697509

## JOKE OF THE YEAR

A man walks into a bar in Dublin, orders three pints of Guinness and sits in the back of the room, drinking a sip out of each one in turn.

When he finished all three, he comes back to the bar and orders three more. The bartender says to him, 'You know, a pint goes flat after I draw it; It would taste better if you bought one at a time.'

The man replies, 'Well, you see, I have two brothers. One is in America, the other in Australia, and I'm here in Dublin. When we all left home, we promised that we'd drink this way to remember the days we all drank together.'

The bartender admits that this is a nice custom, and leaves it there.

The man becomes a regular in the bar and always drinks the same way: he orders three pints and drinks the three pints by taking drinks from each of them in turn.

One day, he comes in and orders two pints. All the other regulars in the bar notice and fall silent.

When he comes back to the bar for the second round, the bartender says, 'I don't want to intrude on your grief, but I wanted to offer my condolences on your great loss.'

The man looks confused for a moment, then the light dawns in his eye and he laughs. 'Oh, no,' he says, 'Everyone is fine. It's me.....I've quit drinking!'

## Don't miss out on the FREE Filter

There can be a lot of things to think about when it's time to get your machinery serviced.

That's why New Holland would like to take something off your mind, and costs — like a free engine oil filter when you purchase 20 litres or more of Ambra Mastergold and Supergold Engine Oil before 30 June 2010.

**So don't miss out, mention this offer when you buy oil.**

## THE GREAT NUNDLE DOG RACE

The Nundle Public School P&C Association are holding their 31st Great Nundle Dog Race on Sunday 2nd May 2010 at Nundle with a program of fun events.

The event is the major fundraiser for the P&C with all money raised assisting the purchase of equipment and educational needs for the children at the local school.

Any Enquiries: 67693329 or 67693253

## Just to keep you up to date:

New Holland are offering a **FREE GIFT** when you purchase **EZ-Guide** or **EZ-Steer** products (New Holland Guidance products are made by Trimble and are in stock at Tamworth and Gunnedah branches). See the enclosed brochure — offer is valid from 6th April to 31 May 2010.

**Australia Post** have advised that mail that is addressed incorrectly will not be delivered — please ensure that we have your full and correct mailing address - RMB's are no longer used by Australia Post.

Discussions with Tamworth Regional Council are continuing with regard to the Parking and **No Stopping Zones** in Bridge Street, Tamworth — we will keep you posted on the outcome, in the meantime please be aware of the No Stopping Zone and pull into the driveway or onto the concourse if there is no parking available in the street.

....Susan Goodwin
