*From the Eulogy of-*

**PETER GREGORY GOODWIN**

**18.11.57 to 06.05.2010 (Aged 52 Years)**

Peter was born in Tamworth on 18<sup>th</sup> November 1957 and was the only child of Aubrey and Joyce Goodwin. Sadly Peter's father Aubrey passed away in 1999 & Joyce recently passed away in 2008.

Aub and Joyce and their partner, Pat Kenny, started the business Goodwin Kenny in 1962 - so at the age of five Peter was spending time at the business.

This was probably a little boy's ideal playground – the workshop, the tractors and machinery, and the trips with Aub in the truck delivering machinery to the farms.

Peter attended school at West Tamworth Primary School and completed his education at Tamworth High School. He left school and had a couple of jobs including working as a Roadie for the band, Skyhooks, then as a Draftsman for Fred Kelley.

The call back to the family business came in May 1977 and Peter continued to learn all facets of the business including Spare Parts, Sales and Customer Relations. He loved driving the trucks and would often do the deliveries to customers as well as transporting machinery from suppliers and between the branches. Peter enjoyed his many trips overseas with the Fiat and Versatile Dealers and had travelled to Canada, USA, Italy, England and Scotland.

Peter met Susan in the summer of 1985 and they were married on 19<sup>th</sup> September 1987 in Tamworth, and by April 1988 Peter and Susan were working together at Goodwin Kenny. Their working relationship has been described as a “good fit” with each having different areas of expertise and they were able to compliment each other within the business.

Peter and Susan also shared a love of old houses. Their first home was an old Federation house which they purchased in 1987, renovated and sold, before moving in 1993 to their current 1895 Victorian home.

Peter was a natural born salesman – he understood the products and was interested in what the customer wanted and always gave his best to find the most suitable solution for the application.

Peter Kenny was talking about this ability last week and was reflecting on the time Kerry Packer was in Tamworth looking for a tractor. Kerry arrived at the Tamworth office and was so impressed with Peter's ability to answer all his questions and make recommendations that he ordered the tractor on the spot.

Over the years the company has won many awards and Peter was so very proud of these, particularly when Goodwin Kenny was named New Holland Australian Dealer of the Year in 2002. Being named in Silvan's National Top 10 Dealers gave him great satisfaction.

In the limited spare time that Peter had he was heavily involved with Farmsafe and Workcover – meeting with Government and Industry specialists to help formulate laws regarding the safe operation and use of farm equipment. His contribution was recognized at the Farm Safety Awards in 2007.

Peter believed in the future of Agriculture and was adamant that Goodwin Kenny continue to train Service technicians and Spare Parts personnel to ensure that the company always maintained the best level of service to their customers.

Peter had a terrific eye for detail and was meticulous in this regard, and he had a great memory - sometimes this would drive the staff crazy as he would find the tiniest fault, spelling mistake or missed paint touch-up.....when it came to the customers Peter always believed that you gave 120% and the presentation of the product had to be perfect.

Peter's health had started to decline in 2003 when he was diagnosed with heart problems; this was later complicated by Diabetes in 2008. His Cardiac Arrest at work on Thursday 29<sup>th</sup> April was a great shock to the staff, and their attempts to revive him were exceptional, unfortunately the damage to his brain was so great that he never regained consciousness.

To summarise Peter's character in a few words is indeed difficult but he is best described as having been:

Hardworking – he was so passionate about the business- he gave it his all,

Stubborn – it was very hard to change his ways,

Respectful – Peter always treated everybody with the utmost respect,

Funny – some would say he had a weird sense of humour, he would laugh at the craziest things and would have the family and colleagues in fits of laughter, and he had the most distinctive laugh.

His main passions in life were his wife Susan, their daughter Gina, the family business, his family and friends.

## JOKE OF THE MONTH

A nun is sitting with her Mother Superior chatting. "I used some horrible language this week and feel absolutely terrible about it."

"When did you use this awful language?" asks the elder nun.

"Well, I was golfing and hit an incredible drive that looked like it was going to go over 280 yards, but it struck a phone line that was hanging over the fairway and fell straight down to the ground after going only about 100 yards."

"Is that when you swore?"

"No, Mother," says the nun. "After that, a squirrel ran out of the bushes and grabbed my ball in its mouth and began to run way."

"Is THAT when you swore?" asks the Mother Superior again.

"Well, no," says the nun. "You see, as the squirrel was running, an eagle came down out of the sky, grabbed the squirrel in his talons and began to fly away!"

"And Is THAT when you swore?" asks the amazed elder nun.

"No, not yet. As the eagle carried the squirrel away in its claws, it flew near the green and the squirrel dropped my ball."

"Did you swear THEN?" asked Mother Superior, becoming impatient.

"No, because the ball fell on a big rock, bounced over the sand trap, rolled onto the green, and stopped about six inches from the hole."

The two nuns were silent for a moment.

Then Mother Superior sighed and said, "You missed the \*\*\*\*\*ing putt, didn't you"?

When you awaken in the morning hush, I am the swift uplifting rush of quiet birds in circled flight,  
I am the stars that shine at night, Do not stand at my grave and cry, I am not here, I did not die*
