

GOODWIN KENNY NEWS

JUNE 2010

GOODWIN KENNY -- Serving Agriculture since 1962

It has been quite some time since our first Newsletter, May 1999 in fact, and it is probably time to do an update on Goodwin Kenny and the service we can provide to our customers.

As farming practices change and as the weather continues to dictate the outcome of each year's productivity we have found there is a constant need to provide our customers with the best possible advice and service.

To achieve this we have invested a good deal of time and money in Staff Training. Our mechanics attend a range of courses at New Holland's purpose built Training Centre at St Mary's to keep them abreast of the latest products and technology. Many members of our staff have also completed Air Conditioning Training and have gained their Air Conditioning Licences.

Upon the sale and delivery of a new machine, whether it be a Tractor, Baler or Mower Conditioner, one of our Service Technicians and the Salesman carry out a thorough installation and induction of the machine to ensure that the new owner is fully competent in its operation and use. We have received many comments from new owners that our induction is the best installation that they have ever received when taking delivery of a new piece of equipment and that they feel their confidence and knowledge about the new machine has been enhanced.

In Spare Parts our Interpreters are able to provide "intelligent" assistance to our customers and procure parts via the use of computer programs and links to many of our suppliers. As we are providing parts for many machines that range in age from the most modern machinery to some that would almost qualify as antiques we need to have these tools, and sometimes a very good memory comes in handy. Our customers always are greeted with a smile and enjoy our friendly service.

Our customer service also involves our Website www.goodwinkenny.com.au that is constantly updated with News, Specials and our full range of Used Equipment. This allows our customers to keep up-to-date after hours.

We also produce a Monthly Newsletter which keeps our customers informed about what is happening in the branches, new products, Parts Specials, Seasonal updates, Staff News and the Newsletter always contains some "good humour".

Goodwin Kenny is a family owned company that commenced business in 1962 and has for 48 years been selling and servicing tractors and associated agricultural machinery in the North West and New England Regions of New South Wales.

During our 48 years in business Goodwin Kenny has employed four Goodwins and five Kennys, and our extended family currently sees 27 people employed in Sales, Service, Spare Parts and Administration. We have many staff members that have been with the company for a long time and this enhances our customer service and sees continuity of service, sometimes over two generations of customers.

Listed are the products we sell and service - call our Sales, Parts and Service Departments with your requirements.

AGPOINT HARROWS

FOLLOWING HARROWS	SIZE	WIDTH	INC GST CUT
HA 3x3 FH	3 Wide x 3 Deep	711mm	\$133.16

There can be a lot of things to think about when it's time to get your machinery serviced. That's why New Holland would like to take something off your mind, and costs — like a **free engine oil filter** when you purchase 20 litres or more of **Ambra Mastergold** and **Supergold Engine Oil** before 30 June 2010.

So don't miss out, mention this offer when you buy oil. Offer ends 30 June 2010

SELECTA POWER GENERATOR

For customers who use internet Banking, our bank account details are:

Commonwealth Bank BSB: 062 602 Account Number: 00 272 029

Please use your account number, name or invoice number as a reference.

JOKE OF THE MONTH

Curtis & Leroy saw an ad in the Daily Newspaper in Geelong, Victoria and bought a mule for \$100.

The farmer agreed to deliver the mule the next day.

The next morning the farmer drove up and said, "Sorry, fellows, I have some bad news, the mule died last night"

Curtis & Leroy replied, "Well, then just give us our money back."

The farmer said, "Can't do that. I went and spent it already."

They said, "OK then, just bring us the dead mule."

The farmer asked, "What in the world ya'll gonna do with a dead mule?"

Curtis said, "We gonna raffle him off."

The farmer said, "You can't raffle off a dead mule!"

Leroy said, "We shore can! Heck, we don't hafta tell nobody he's dead!"

A couple of weeks later, the farmer ran into Curtis & Leroy at the local grocery store and asked, "What'd you fellers ever do with that dead mule?"

They said, "We raffled him off like we said we wuz gonna do." Leroy said, "Shucks, we sold 500 tickets for two dollars a piece and made a profit of \$898."

The farmer said, "My Lord, didn't anyone complain?"

Curtis said, "Well, the feller who won got upset. So we gave him his two dollars back."

Curtis and Leroy now work for the Rudd government.

They're financial advisers to Wayne Swan.

Just to keep you up to date:

Australia Post have advised that mail that is addressed incorrectly will not be delivered — please ensure that we have your full and correct mailing address - RMB's are no longer used by Australia Post.

Discussions with Tamworth Regional Council are continuing with regard to the Parking and **No Stopping Zones** in Bridge Street, Tamworth — we will keep you posted on the outcome, in the meantime please be aware of the No Stopping Zone and pull into the driveway or onto the concourse if there is no parking available in the street.

This year the Farrer "Boys in Pink Foundation" are again raising money for the Breast Cancer Research Foundation to assist with valuable research to find a cure. The Year 10 boys will be wearing Pink Headgear, purchased by each player, throughout all the games—both Rugby League and Rugby Union. Each Headgear will have a sponsor's name on it and the sponsors will donate money for each game played. Sponsors currently supporting the Farrer Boys are Klepzig Hay Producers, Dome Financial, Bob Jane Tyres, Tamex, Joblink Plus and Goodwin Kenny. If you would like to contribute to the boy's efforts— contact Tyler Harris on 0419 732 860 or donate to the Boys in Pink Foundation through Farrer Memorial Agricultural High School on 6764 8600. Pictured in a scrum (from left) Jacob Budd, Chris Parker, Tyler Harris, Matt Brady and Samuel Brazel.

For the time being Machine Sales inquiries will be handled by Peter Kenny 0427 688454 and Glenn Furner 0429 650323, for all Service inquiries at Tamworth please contact Ken Hatton on 67655244 or 0428 659363, or feel free to call me on 67655244 or email sgoodwin@goodwinkenny.com.au
