

LEON DEGROOT'S NEW HOLLAND H7230

Greater manoeuvrability and increased durability were the features that impressed Leon DeGroot when purchasing his new New Holland H7230 mower conditioner. The new 3 point swivel hitch enables the machine to more easily cut square corners whilst limiting the angles on the PTO shaft and gearbox drives reducing stress and maintenance. The machine comes standard equipped with New Holland's new MowMax cutterbar which includes ShockPro disc drive hubs to provide quick, simple in field module repair and rubber chevron style conditioning rolls for best conditioning and quick dry down. Pictured at delivery is Leon and Rob DeGroot.

DEPT OF TRADE AND INVESTMENT'S NEW NEW HOLLAND RUSTLER 120

Dougla Pottie of NSW DPI Depot at Hunt Road Gunnedah is pictured at the delivery of a new New Holland 120 Rustler utility vehicle. The Rustler 120 is fitted with a 3 cylinder diesel engine providing a healthy 20 hp coupled to a constantly variable transmission driving all four wheels as required. This makes for a go anywhere - do anything sort of machine which I'm sure Dougla will put to good use maintaining and attending DPI's trial plots. The Rustler comes in a range of models -- two and four passenger, 14HP to 23HP, Petrol & Diesel.

GRASS, RAIN AND SUN.....cut that overgrown lawn easily with a New Holland G6030 or G6035 Commercial out front mower. The New Holland mowers feature 30 horsepower, Diesel, hydrostatic pedal transmission, 4wd and 72" (6') cutting deck.....get great lawns quick!

Call Tony Housden at Tamworth or Glenn Furner at Gunnedah for more information.

This summer's blockbuster is one you don't want to miss. From January through to March 2012, you can take advantage of an unbelievable offer across our entire tractor range - from our utility TT through to the Broadacre powerhouse T9 4EWD.

With **3 year warranty**—and our **3% finance rate***.

Critics say the styling, ergonomics and technology of our range is 'inspiring', 'award winning', 'the best yet'.

But there's only one way to find out for yourself.

Visit brightfuture.com.au/3DSuperdeals now to see how you can take part in the action.

But hurry, these must see super deals are only around for 3 months until 31st March 2012

A little bit of history.....

Aub Goodwin started working in August 1945 as what he termed "a bit of a runaround boy", but soon got his hands on to his passion—motors. He was apprenticed as a mechanic only a few months after starting at Regans. Aub was employed at servicing cars and tractors. Regans sold British Farm Equipment, and were proud suppliers of the very first Vanguard car in Tamworth. Regans branched out into Fiat and Ferguson tractors, and Aub became familiar with the workings of them very swiftly. On the way to service and repair tractors and farm equipment he would also deliver groceries that had been purchased at Regan's Grocery Department. Another of Aub's mechanical bents was car rally driving. Aub with, friend and co-driver, Bladen Brooke won a car rally that went from Tamworth to Grafton, Gympie, Kingaroy, Inverell and back to Tamworth in a sporty Vanguard Spacemaster. Aub was also very successful in many ploughing Competitions. Pictured right: Aub Goodwin in one of those competitions.

THE FRANCO'S NEW McHALE WRAPPER

After the difficulty of co-ordinating their hay program around contractors to wrap the finished product and the ever present risk of losing crop quality if it did not work out, Ann and Larry Franco have decided to purchase a wrapper of their own. The McHale 991BE was purchased on the basis of being a known machine with a good track record and a machine that most contractors use.

The contractors they have used in the past have also used McHale wrappers on the farm. The Franco's mixed cattle and hay property at Loomberah is just one part of their enterprise, the main operation being a large commercial duck farm in the Sydney area.

Pictured at start up are Tony Housden (Sales GK), Hay Technician Merv Leard, Daniel, Larry and Ann Franco with Mick Tuite (Farm Manager).

LEON DE GROOT'S NEW SIP STAR 470/13

Leon and Robert DeGroot are pictured recently whilst taking delivery of their new Sip Star 470/13 rotary hay rake. This is Leon's third Sip rake having traded a 360/10 a few years ago and with this new inclusion Leon and Rob will be running two identical units to obtain faster raking and hopefully beat some of the scattered showers we seem to be getting lately. Faster mowing and more efficient raking should result in quality hay with less risk.

We have one SIP Star 360/10 rake in stock at Tamworth so call Tony Housden at Tamworth 67655244 or Glenn Furner at Gunnedah on 67425777 to talk about your rake requirements.

Check out the extensive range of hay and silage handling equipment from Challenge Implements this harvest season!

MONTHLY WINNERS

Congratulations to our New Holland Plush Toy Tractor Winners:

Alex McLeay - Oakwood, IC & DG Roworth - Breeza, GJ & PD Youman - Black Mountain

This month we have 3 NEW HOLLAND Caps to give away - simply return your payment by Friday 24th February 2012, to go in the draw.

We would also remind customers that we accept Visa & MasterCard over the phone and Debit cards may be used at Tamworth and Gunnedah Branches.

All payments by these methods are included in the monthly draw.

Electronic/Internet Payments on the last day on the month cannot be allocated until the next day - it would assist us greatly if payments could be made prior to the last day of the month to allow receipting and allocation to accounts prior to Month End.....thankyou

For customers that use Internet Banking, our bank account details are:

Commonwealth Bank BSB: 062 602 Account Number : 00 272 029

Please use your account number, name or invoice number as a reference.

JOKE OF THE MONTH

STUD ROOSTER

A farmer went out one day and bought a brand new stud rooster for his chicken coop.

The new rooster struts over to the old rooster and says, "Ok old fart, time for you to retire."

The old rooster replies, "Come on, surely you cannot handle ALL of these chickens. Look what it has done to me. Can't you just let me have the two old hens over in the corner?"

The young rooster says, "Beat it, you are washed up and I am taking over."

The old rooster says, "I tell you what, young stud. I will race you around the farmhouse. Whoever wins gets the exclusive domain over the entire chicken coop."

The young stud laughs. "You know you don't stand a chance, old man. So, just to be fair, I will give you a head start."

The old rooster takes off running. About 15 seconds later the young rooster takes off running after him. They round the front porch of the farmhouse and the young rooster has closed the gap. He is only 5 feet behind the old rooster and gaining fast!

The farmer, meanwhile, is sitting in his usual spot on the front porch when he sees the roosters running by. The old rooster is squawking and running as hard as he can.

The farmer grabs his shotgun and - BOOM- he blows the young rooster to bits.

The farmer sadly shakes his head and says, "Dammit...third gay rooster I bought this month!"

SILVAN 800 LITRE PASTURE PAK

JUST TO KEEP YOU UP TO DATE:

Goodwin Kenny would like to introduce our new employees who have recently joined our Tamworth and Gunnedah Branches.

*Ben
Ashton*

*Cameron
Young*

*Lachlan
McArthur*

Ben Ashton took over the role of IT Manager in June 2011. Ben is based in Tamworth and is responsible for all computer functions in the three branches. He is also responsible for our Website and is in the process of designing a new Website. If you subscribe to our Newsletter by email- every month Ben will send you an easy to open pdf version of our Newsletter—his email address is ben.ashton@goodwinkenny.com.au - just send him an email and he will add you to the Newsletter email list.

Cameron Young is our new recruit in Tamworth Spare Parts Department as our Spare Parts Trainee. Cameron has just completed his HSC at Farrer, where he was a boarder. Cameron's parents operate a dairy at Muswellbrook. His studies at Farrer included Agriculture, Beef & Grain and he is a keen Rugby player.

Lachlan McArthur has joined the Service team at Gunnedah as our 1st year Apprentice Mechanic. Lachlan did some work experience last year and was then offered an Apprenticeship. He comes from a farming background at Emerald Hill and his parents have been long time customers of Goodwin Kenny.

*I am still looking for old photos and stories from the last 50 years—
send an email to sgoodwin@goodwinkenny.com.au*

Susan Goodwin....
