

GUNNEDAH SHIRE COUNCIL GOES BLUE!

Gunnedah Shire Council has recently taken delivery of a New Holland T6010 Plus Tractor and this tractor has now been fitted with a 6 metre reach mower.

Council also sought to upgrade two other tractors for roadside slashing. Goodwin Kenny were successful in supplying the council with two New Holland T5050 Tractors and both tractors were also equipped with new Howard EHD210

Extra Heavy Duty slashers. Picture above shows Graeme Baxter (left), Plant Superintendent, and Scott Jackson, Workshop Foreman, with the new machines. Below: the New Holland T5050 and Howard EHD210 slasher and New Holland T6010 with the reach mower.

NEW HOLLAND BR7060 BALER FOR JIM CROUCH

Jim & Kath Crouch, Brockleigh, Quirindi decided to update their existing New Holland 654 round baler and chose the New Holland BR7060 baler as the replacement. Goodwin Kenny Gunnedah Salesman, Glenn Furner, is pictured with Jim after the baler was started up by Goodwin Kenny Tamworth Hay Technician, Merv Leard.

ANGUS MURCHISON'S NEW SIMPLICITY AIR SEEDER

Angus Murchison of Kilgetty, Spring Ridge has recently taken delivery of a new Simplicity 10,000 litre Trailed Liquid Air Seeder. This machine is the first of its kind sold by Goodwin Kenny. The Air Seeder has a 7,000 litre Double Granular Tank for seed and fertiliser distribution. It also features a 3,000 litre stainless steel tank for the application of Liquid Fertiliser. The metering units are controlled by linear actuators to vary the rate "on the go" via a Kee Eagle monitor.

CONSERVATION FARMING REFUNDABLE TAX OFFSET

For your information, a Refundable Tax Offset (RTO) will apply to "no-till" machinery purchases from the 1st July 2012 to 30th June 2015. The machinery must be an eligible no-till seeder, such as a tyne machine fitted with minimum tillage points, double disc openers or a disc seeder. The RTO will amount to 15% of the cost of the seeder and the entity claiming the offset, must have been issued with a "Research Participation Certificate". For eligibility and full details of this offset speak to your accountant or visit www.ato.gov.au - search for Conservation Tillage Refundable Tax Offset, also www.daff.gov.au Dept Agriculture, Fisheries and Forestry.

Workmaster 45 and 55

Small area tractor – with big work-load ability. At 45 or 55 Hp the New Holland Workmaster is ideally suited to the small acreage farmer who wants a “real” tractor with the back-up of service, parts and reliability from a well-known brand – New Holland.

Proven, four-cylinder engines deliver quiet start-up and quiet, smooth operation. These engines are fuel-efficient and “green,” too. With Tier III emission compliance and the ability to use B5 biodiesel fuel, they’re designed to be easy on the earth. WORKMASTER tractors save you time with their versatility and easy operation.

Simple operation

You’ll find the speeds you need to match any task with the NEW 8x8 transmission with four constant mesh gears in two ranges. Gears are in a simple H pattern, and New Holland makes it easy to shuttle shift from forward to reverse, too. A synchronized mechanical shuttle lever is located conveniently to the left of the steering wheel; perfect for loader applications.

New WORKMASTER tractors work hard but are easy to afford.

JOKE OF THE MONTH THE MUMMY TEST!

I was out walking with my 4 year old daughter. She picked up something off the ground and started to put it in her mouth. I took the item away from her and I asked her not to do that.

"Why?" my daughter asked.

"Because it's been laying outside, you don't know where it's been, it's dirty and probably has germs" I replied. At this point, my daughter looked at me with total admiration and asked, "Wow! How do you know all this stuff?" "Uh," I was thinking quickly, "All mums know this stuff. It's on the Mummy Test.

You have to know it, or they don't let you be a Mummy."

We walked along in silence for 2 or 3 minutes, but she was evidently pondering this new information.

"OH...I get it!" she beamed, "So if you don't pass the test you have to be the Daddy."

"Exactly" I replied back with a big smile on my face and joy in my heart.

HAPPY MOTHER'S DAY TO ALL THE MUMS

RAT PROBLEM

We have probably all encountered this problem at some time over the years on farm, the old truck in the shed, won't start, smells terrible,

the seats are chewed and then you realise that RATS have chewed something under the dash.

Now on the old truck you just get a few spare wires and by-pass the chewed ones and away you go. Think forward to your new tractor, we have seen a couple of new tractors recently with Rat nests under cabs, the rubber seal around the bonnet to firewall seems to be very tasty as well.

The biggest problem is however chewed wiring, the cost to replace wiring harnesses is expensive on tractors with computer controlled engines and transmissions.

If you are concerned about baits and dogs and children, set up a drum trap, Rats and mice find Linseed oil irresistible.

Please take the time to control rats wherever you have machinery parked.

JUST TO KEEP YOU UP TO DATE:

Goodwin Kenny Golf Day was held on Saturday 28th April at the Gunnedah Golf Club. After some rain up until about 1pm, a field of some 95 players hit off and all enjoyed the afternoon after the rain stopped. Photo shows (left to right) C Grade winner John Lennan, Peter Kenny, B Grade winner Steve Dunn and A Grade winner Scott Leader. Saturday was a Stroke Round for the Club Monthly medal & Sunday 29th April saw Goodwin Kenny sponsor a Benefit Day for the Gunnedah Physical Culture Club, about 50 players took part this year.

More History..... We have been sorting through some old photos and records. These are two special ones...a very early photo of Peter on a wheelbarrow taken in 1958, thank goodness he learnt which way the wheels go and over time turned into the Salesman you see in the other photo (a favourite of Gina's) taken at Ag-Quip in 1986.

We have received a number of emails and stories from customers and company representatives, but are still looking for more information and more photos to include in the Goodwin Kenny 50 Year History.....so call in or email to sgoodwin@goodwinkenny.com.au or call 67655244.
