

Like most years when it comes to Agquip you never know what to expect when it comes to the weather (you need to take the gumboots and the Drizabone just in case!) and looking at the skies on Monday as shown in the awesome photo (at right) taken and tweaked by Chris Slade, New Holland's Regional Sales Manager, you would have expected a damp few days. Thankfully, we did get good falls of rain over the weekend before Agquip and some showers over the field days, but for the most part the weather was good and our customers turned out in numbers to view the new models of New Holland machinery on display. Merv Leard was kept very busy showing people around the new New Holland RB150 round baler and the New Holland merchandise tent was also very popular.

First delivery after Agquip

Paul Avery and Karen Howe from Tamworth placed their order for a new New Holland H7230 mower conditioner for immediate delivery after Agquip. Paul had been borrowing a mower conditioner and decided it was time to purchase his own machine for the coming season. The New Holland H7230 has a 10'4" cut, has a 8 Disc modular cutterbar and Chevron rubber rollers. Paul's machine also has the 2 point hitch.

When Paul is not making Hay he is busy at his other business - Ford's Butchery in Darling Street, Tamworth where they make some of the best sausages in town. Paul is pictured at right looking very happy with his new mower conditioner.

JOKE OF THE MONTH

A painter by the name of Paddy Mc Manus, while not a brilliant scholar, was a gifted portrait artist. Over a short number of years, his fame grew and soon people from all over Ireland were coming to the town of Doolin in County Clare, to get him to paint their likenesses. One day, a beautiful young English woman arrived at his house in a stretch limo and asked if he would paint her in the nude. This being the first time anyone had made such a request he was a bit perturbed, particularly when the woman told him that money was no object; in fact, and she was willing to pay up to 10,000 Sterling pounds. Not wanting to get into any marital strife, he asked her to wait while he went into the house to confer with Elsa, his wife. In a few minutes he returned. "T'would be me pleasure to paint yer portrait, missus," he said "The wife says it's okay. "I'll paint ya in da nude alright, but I have to at least leave me socks on so I have a place to wipe me brushes."

Just to keep you up to date:

Peter Morgan—Head Teacher of Heavy Vehicles Retires

On Saturday 16th August TAFE New England celebrated 30 years of service for Peter Morgan with a Farewell Dinner at the View Restaurant, Tamworth Golf Club. Peter commenced working at TNE in 1984 and had developed many great business relationships across TNE in the Trades and Primary Industry Department. Many staff, along with myself and Martin Gillies from Peel Valley Machinery (pictured with Peter in centre) were there to thank Peter for his commitment to the training of our apprentices over many years.

John Michael, Faculty Director, thanked Peter and presented some gifts. Peter responded with a witty and amusing poem, written by himself. Peter is now enjoying semi-retirement, finalising all the jobs his wife Chris wants done & playing gigs at the Post Office Hotel with TNE friends in a band called the Units.

The Tamworth Business Chamber Quality Business Awards were held on Friday 22nd August at TRECC. Goodwin Kenny were nominated again, but this year was not our year to receive another "gong".

The award for Excellence in Customer Service in Retail (Large) went to Avro Metaland and I was talking with Brian Farmer after the awards and he was highly delighted—so our congratulations to them.

In the Excellence in Community Service category the award went to Happy Smiles Dental Care—another deserving winner—Well done Richard and Sheryl Wise. Also winners on the night were Mark and Linda Floyd from Volcania Art Glass for Regional Business of the Year at Nundle, As You Wish for Regional Business of the Year at Barraba & Landmark Manilla for Regional Business of the Year at Manilla.

I attended the Awards dinner with staff members Christine Moore, Shane Bridges and his wife Yvonne, Customers - Denise and Mark Warden and Neville and Kathy Bromage, staff members Jamie Rutter and David Hartmann - all pictured above. Receiving the nomination is a great recognition for our company and our staff, I know that our staff do their best and I am always happy to hear comments from customers when they tell me that our staff are informative, helpful and resourceful. I was also pleasantly surprised to be announced as a finalist in the Business Leader category which was won by the Business Chamber President, Tim Coates. This year the stage show and entertainment was excellent, the meal delicious and the company great! The evening also provided an opportunity for me to dress up & wear a bit of "bling" - my Vintage Czech red crystal ear-rings that I had purchased from Gold Coast Glitz at the Tamworth Antique Fair earlier in the month. I hope to see you at the Tamworth Gallery—For the Love of Art on Friday 19th September. ..Susan Goodwin
