

John Homewood, Tamworth recently took delivery of his new New Holland RB150 Roll Belt Round Baler. John had owned a New Holland 650 Round Baler for many years and had a trouble free run with that baler. Last year he thought about updating to a BR7060 however there was a shortage of new balers at the end of the season. John decided to update to the latest technology and placed his order early this season. Goodwin Kenny Hay Technician, Merv Leard installed the baler with John and they were both pleased with the baler's performance.

Lindsay and Graeme Wilkin from Purlewaugh were looking to upgrade their current New Holland Baler for their properties.

The New Holland RB150 Roll Belt Round Baler was on display at Ag-Quip and impressed the brothers immediately. They took delivery of their machine, and after start-up and installation with Goodwin Kenny Hay Technician Merv Leard, put it to work straight away in their oat crop. Pictured is Graeme (left) and Lindsay on delivery of the baler.

Keith and Cormaree Blanch from Gunnedah have been long term customers of Goodwin Kenny

owning numerous New Holland Tractors. The time came for Keith to upgrade his current New Holland T6090 tractor and Keith settled on a New Holland T7.220 with full Powershift transmission and front suspension. A New Holland/Challenge L4200 front end loader was fitted for his everyday use.

Peter Kenny is pictured with Keith when he collected the tractor.

In Stock now at GOODWIN KENNY - LATEST RELEASE - NEW HOLLAND ROUND BALER (RB)

After 40 years of Round Baler development you would think there is little left for New Holland to improve, but with the release of the new New Holland Roll-Belt Round Baler they have added new features and made baling easier for the operator.

So what is new and better you ask:

- * 2 models – RB150 (5' bale dia) and RB180 (6' bale dia) Superfeed or Crop Cutter
- * Up to 20% increased capacity
- * 5% increase in density achieved
- * Improved pick-up with enhanced cross feed augers, more durable pick up tines, reel and guards
- * *New Drop floor* – no crop wastage as the rotor blockage is contained and fed into the chamber after hydraulically dropping the floor from the cab
- * Now with 4 wider, stiffer belts that track better and reduce crop accumulation
- * Belts are a new design "endless belt"
- * Upgraded and updated net wrap system increases reliability of wrap application
- * The net tube now swings out and down for easier net loading
- * Improved accessibility and serviceability reduces maintenance downtime.

- * **Round Baler Premium Protection Plan coverage as standard - 24 months / Unlimited bale count cover – Free of charge**

All this adds up to a round baler to improve your productivity, reduce your downtime and produce a premium round bale that you and your customers can be rightly proud of. **And it looks good too!! Call Tony Housden at Tamworth or Glenn Furner at Gunnedah.**

Choose Cotesi Netwrap and Twine and you could win a trip to Portugal!

Enjoy better baling from New Holland and a chance to win a Portuguese holiday valued at \$9,500 each time you purchase one of these Cotesi products between **1 September and 30 November 2014.**

for your chance to win: 2 return flights, 7 nights

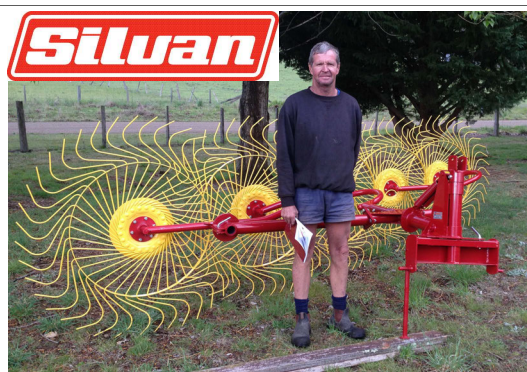

accommodation, \$2,000 spending money, 1 day Cotesi factory-tour.

Terms and conditions apply, **contact Jamie Rutter at Goodwin Kenny Tamworth on 67655244** for details or help with your on-line entry.

Jeff Teege from Puddledock, North East of Armidale had need to purchase some new hay equipment. With only small areas to mow and rake Jeff was looking for a linkage sickle mower however we were unable to find a suitable new machine for him. An alternative was a SIP Roto D mower, a very good disc mower only – linkage mounted and ideally suited to smaller areas. Jeff chose the Roto 215 DH (7') as a good match for his other gear.

A Silvan Sitrex 5 wheel finger rake completed the package and will allow him to get his hay made in a timely manner without relying on other operators. Jeff is pictured at delivery with his new Mower and Rake.

John Shearer 3 Metre Pasture Drill

- ✓ Extra Large Grain & Fertilizer Bins
- ✓ Rear-Positioned Depth Wheels
- ✓ Hydraulic Operated Draw Bar
- ✓ Infinitely Adjustable Gearbox
- ✓ Heavy Duty Construction

UPGRADE YOUR PASTURE TO INCREASE CARRYING CAPACITY WITH THE 3 METRE PASTURE DRILL.

The 3 metre Pasture Drill is purpose built for pasture renovation. In the Shearer tradition, the machine is engineered for maximum serviceable life. It's robust construction makes it the ideal choice for use in many farming conditions.

The machine is set with 19 sowing rows at 155mm (6") spacing making maximum use of the convenient 3 metre transport width. Depth wheels are placed in a rearward position to maximise sowing width in relation to transport width. Models are available with either double disc openers (with or without press wheels) or '580' tyne assemblies.

For more information: Call Tony at Tamworth on 02 6765 5244 or Glenn at Gunnedah 02 6742 5777

MONTHLY WINNERS Congratulations to our New Holland Cap Winners:

D J Cohen Partnership - Carroona, N & C Donnelly - Gunnedah, N R Williams - Black Mountain

This month we have 3 **NEW HOLLAND CAPS** to give away -
simply return your payment by Tuesday 25th November, 2014 to go into the draw.
We would also remind customers that we accept Visa & MasterCard over the phone
and Debit cards may be used at all our Branches.

All payments by these methods are included in the monthly draw.

Electronic/Internet Payments on the last day of the month cannot be allocated until the next day -
it would assist us greatly if payments could be made prior to the last day of the month to allow receipting
and allocation to accounts prior to Month end.....thank you.

For customers that use Internet Banking, our bank account details are:

Commonwealth Bank

BSB: 062 602

Account Number : 00 272 029

Please use your account number, name or invoice number as a reference.

JOKE of the Month

Bluey goes to an outdoor show at the Brisbane Showgrounds and wins a tinnie. He brought it home and his wife looks at him and says, "What you gonna do with that. There's no water deep enough to float a boat within 160 Kms of here." He says, "I won it and I'm gonna keep it."

His brother came over to visit several days later. He sees the wife and asks where his brother is. She says, "He's out there in his tinnie", pointing to the paddock behind the house. The brother heads out behind the house and sees his brother in the middle of a paddock sitting in the tinnie with a fishing rod in his hand. He yells out to him, "What are you doing?" His brother replies, "I'm fishing. What the hell does it look like I'm a doing?" His brother yells, "It's people like you that give people from Queensland a bad name, making everybody think we're stupid. If I could swim, I'd come out there and kick your arse!"

Just to keep you up-to-date:

Saturday 11th October was a busy night - with celebrations at the Long Yard Hotel for the Engagement of **Andrea Kidd and Nathan Keel**. Andrea and Nathan announced their engagement earlier in the year and decided to have a function for family and friends to help them celebrate (and to eat that large delicious Chocolate Mud cake). Andrea is the daughter of Andrew and Kerrie Kidd of Tamworth and Nathan is the son of Wayne and Glenda Keel, East Hills, Manilla (and our First Year Apprentice). The couple plan to marry in April 2015 and Andrea informs me that most of the finer details for the wedding have been organised, and they are now looking forward to their big day. **Our Congratulations to Nathan & Andrea**

And on the same night the **Tamworth Kangaroos** Australian Football Club held their Presentation Night. The Roos Presentation Nights are always a fun evening and I was pleased to be able to attend again this year presenting the award for Rising Star to Rhett Graham and the Award for Most

Improved to Matt Hopson. Other awards on the night included Best and Fairest to Brett Rees, Highest Goal Scorer to Matt Hodge and President's Award to Sarah Allott. The Roos finished the season in a credible 3rd place behind Armidale & Inverell and are planning for a better result next year. I have been attending Roos functions & games for eleven years now as

Goodwin Kenny has been a long-time sponsor and it is great to see the club attracting new players and maintaining their "family" ethic. The Roos Club also recognised the Douglas Family for the continued support of the club by unveiling the **Douglas Family Honour Board** which will serve as a lasting tribute to their dedication and also be a permanent record of the club's history. Despite the fact that I won the Roos AFL Footy Tipping Competition this year (and took their money) the boys were very welcoming. Perhaps I am learning a bit more about the game than they think!

Surprise! Surprise! - I received notification this week that our website www.goodwinkenny.com.au has been nominated in Kochie's Business Builders \$100K Web Rescue Competition - our anonymous nominator actually entered us in the Local Legend category with the comment "Wonderful people who deserve to win" - if you would like to vote for our website go to: www.rescuemysite.com.au/nomination/goodwinkenny-com-au/ - It is all very flattering, and I am sure there will be a lot of competition, so all support is appreciated!
