

New Holland 40th Anniversary Round Baler to Manilla

Trevor and Nancye Coombes with their son, Richard, decided to take the opportunity to upgrade their Krone Round Baler and with 300 acres of feed ready to cut, bale and wrap, their new baler is going to get a workout at Manilla.

The New Holland RB150 Crop Cutter was chosen for its ability to roll denser bales with greater throughput while still having knives to pre-cut crop as it moves through to the forming bale. The new drop floor and improved pick up assist with general operations. Trevor and Richard mentioned how good the start-up training had been with Merv Leard (Goodwin Kenny Hay Technician), unlike their previous baler that was just "dropped off". The in-field and phone back-up service provided by Goodwin Kenny has been very useful as they become familiar with the operation of their new baler. They are also very happy with the speed of the baler. Pictured at the delivery and start-up are Trevor and Richard Coombes.

The New Holland site at Agquip

looked great and proved popular with the marquee filled with Guidance displays, CNH Industrial Capital staff, Toys & Merchandise for sale, a sandpit for the children and coffee for the customers. The **New Holland T8 - SmartTrax** that was on display at Agquip attracted a lot of attention.

- * Track performance, without Twin Track compromise
 - * Reduced compaction without weight transfer issues
 - * Improved flotation without row end ridging and berming
 - * Tracking straight ahead pulling performance and full power to the ground in turns
 - * Track ride quality over uneven ground with wheeled tractor quality over ridges
 - * Long wheelbase for better weight distribution, less ballast requirement & good ride comfort
 - * 380 Base Engine Horsepower
 - * Track and wheel spacing from 2m to 3m centres
 - * 2 x standard Belt widths - 18" and 24" on 2 undercarriage widths
- Call today for further information on this exciting new tractor

With orders coming in for tractors, balers and mower conditioners after Agquip we would remind our customers that there are limited stocks of New Holland Small Square Balers and Mower Conditioners - so if you are thinking about updating call us now to secure your haymaking equipment for this 2015 season. CNH Industrial Capital Finance have some great new rates.

Thinking of a New Small Square baler – New Holland small square balers have always set the industry standard in reliability, consistent bale shape and size that all others aspire to reach. BC5060 Stock unit only with Hydraulic Swing Kit - from **\$47,100.00 including GST – NO Trade**

Our New Holland T7.200 Demonstrator tractor has arrived

Don't miss the opportunity to "test drive" this tractor

Winners of the Agquip Prize Draws are listed below - Congratulations to all the winners

Tuesday Winners

Toy Ride-On - Brent Moore, Singleton
1st Prize Oil - J Pringle, Mullion Creek
2nd Prize Oil - John Stokes, Tamworth
3rd Prize Oil - Cameron Frear, Quirindi

Wednesday Winners

Toy Ride-On - Ava Coleman, Inverell
1st Prize Oil - Gerard Gallagher, Attunga
2nd Prize Oil - Jo Vidovic, Gunnedah
3rd Prize Oil - Owen Ward, Taree

Thursday Winners

Toy Ride-On - Peter Simpson, Tottenham
1st Prize Oil - Oliver Smith, Willow Tree
2nd Prize Oil - Bruce Coxhead, Kootingal
3rd Prize Oil - Brad Taylor, Daruka

The **Tamworth Business Chamber 2015 Quality Business Awards** were held on Friday 4th September at TREC. Goodwin Kenny were very pleased to be announced as the Winner of the Excellence in Workplace Health and Safety Category for our efforts and attention to detail when we deliver machinery to customers. Accidents happen and if we can do anything to prevent injury or death on farms while using farm machinery that is a positive step. Our Service Technicians and Salesmen carry out a thorough installation and induction to the new owner and their operators to ensure they are competent and confident using the machine. Owners are also informed about the importance of reading their Operators Manuals, the need for scheduled maintenance and are encouraged to call us if they have any questions. Goodwin Kenny keep an extensive library of Operators Manuals for many of the older machines that have been sold in the area. Farm Safety was a top priority for Peter Goodwin when he was alive & we are sure he would have been proud to see Goodwin Kenny receive this award. We were also named as a Finalist in the Excellence in Community Involvement Award and Susan Goodwin was a Finalist in the Business Leader Award.

Pictured: Merv Leard (Hay Technician) Jamie Rutter (Admin) John Ringland (presenter from WorkCover) Susan Goodwin David Hartmann (Spare Parts) & Tony Housden (Salesman)

Tamworth

Commenced Mechanical Apprenticeship in 2014. Working with Merv to acquire knowledge of Balers & Haymaking gear.

Dave Pease
Gunnedah

Service Manager at Gunnedah Branch. Over 10 years with Goodwin Kenny. Works on New Holland, Case & Ford Tractors, Guidance and Air Conditioning.

Lachie McARTHUR
Gunnedah

4th Year Apprentice - commenced in 2012. Has an Air Conditioning Trainee Licence.

John Shearer 3m Pasture Drill

Designed and manufactured wholly in Australia, the 3m Pasture Drill optimises the sowing width capabilities of a rear wheel machine that will transport easily down the road and fit through a 10' gate.

The Pasture Drill is available with 19 runs at 6" spacing, either a tined unit utilising Shearer's traditional 580 tine unit

with great trash clearance and t-boots or the Shearer parallelogram double disc and press wheel opener. The 3m Pasture Drill has large box capacities and a hydraulically operated drawbar for easy levelling and height adjustment.

Call Tony Housden on 67655244

Chainless X5000 The top of the range trailed Chainless balefeeder, self-loading, suitable for feeding out any bale, round or square, and it maximises feed use. The Chainless X5000 carries 2 bales at a time and is designed for medium to large operations feeding out 800 + bales per year.

L2 Plus

M2 Base

Bogballe Spreaders - (Pronounce it "Bo-Bali")

These high quality twin disc spreaders made in Denmark have been available in Australia for some years, with a range from 0.5 tonne up to 6 tonne, these 3 point linkage machines can achieve precision application over spreading widths from 10 metres through to 42 metres.

The range of options from basic manual rate adjustment through to computerised section and placement control with GPS operation is extensive.

In Stock at Tamworth there is an L2 Plus

1150litre/1250kg capacity. Hydraulic on/off control, Folding cover and spreading vanes for 20-24metre spreading width.

In Stock Gunnedah have an M2 Base

3300litre/3630kg capacity. Hydraulic on/off control, Folding cover and spreading vanes for 36-42metre spreading width.

SIP Hay Making Machinery

STAR 360/10 - Redesigned about 5 years ago, the 360/10 is a Professional Series PTO driven rotary hay rake, the stronger frame and undercarriage ensures a high working capacity and produces a superior windrow. The tandem axle undercarriage ensures optimal rotor stability and rake finger height in operation. The modular rotor has the benefits of minimum maintenance, easily greased, adjustable discharge point for the hay and individually replaceable tine arms. When set up correctly the SIP Star 360/10 will deliver optimum raking speeds with low windrow contamination and minimum crop damage thereby ensuring maximum crop yield with maximum nutrient values in your hay or silage. **The Farmliner 350/9** is an economical alternative for the smaller operator who does not need all the features offered by the 360/10.

SIP Rakes - Over 11 years of successful raking in the Tamworth and Gunnedah districts

MONTHLY WINNERS Congratulations to our New Holland Beanie Winners:

S&S Russell - Barraba, MJ & S Maunder - Boggabri, MP & PW Grima - Tamworth

This month we have 3 **NEW HOLLAND Caps** to give away - simply return your payment by Friday 25th September, 2015 to go into the draw.

We would also remind customers that we accept Visa & MasterCard over the phone & Debit cards may be used at all our Branches.

All payments by these methods are included in the monthly draw.

Electronic/Internet Payments on the last day of the month cannot be allocated until the next day - it would assist us greatly if payments could be made prior to the last day of the month to allow receipting and allocation to accounts prior to Month end.....thank you.

For Customers that use Internet Banking, our bank account details are:
Commonwealth Bank BSB: 062 602 Account Number 00 272 029
Please use your account number, name or invoice number as a reference.

JOKE OF THE MONTH

Two Glaswegians, Archie and Jimmy, are sitting in the pub discussing Jimmy's forthcoming wedding "Och, it's all goin' pure brilliant," says Jimmy. "Ar've got everythin' organised awready, the fluers, the church, the caurs, the reception, the rings, the Minister, even ma stag night". Archie nods approvingly. "I've even bought a kilt to be married in!" continues Jimmy. "A kilt?" exclaims Archie, "That's magic, you'll look pure smart in that. What's the tartan?" "Och," says Jimmy, "A'd imagine she'll be in white."

Just to keep you up to date:

After some time with no uploads to Facebook we have again turned our attention to this medium of communicating with our customers and have found some new "friends". If you use Facebook look out for our page.

It is amazing what you see on Facebook, yes there is a lot of information that will be of no use, but there is some humour and some useful tips.

Yesterday I found this recipe for a Chocolate Pudding that literally takes a total of 5 minutes to prepare and cook. (it was actually shared by Jamie's mother), so I thought I would try it at home, and guess what - it worked out quite well. As I am always willing to share a recipe, here it isin a greased microwave proof bowl - add 4 tablespoons of Milo, 4 tablespoons of Sugar, 4 tablespoons of Self Raising Flour, 4 tablespoons of Milk, 4 tablespoons of Oil and 1 egg. Combine all the ingredients with a fork until smooth. Place in Microwave for 3 minutes on High and it is done!

....serve with Ice Cream and Cream and a sprinkle of Milo. (I actually shared it with the staff at Morning Tea and the comments were all good!)

\$1,000.00 During July and August Goodwin Kenny gave their customers the opportunity to win a \$1,000.00 Open Order - with entry forms sent out with the Quarterly Spare Parts Catalogue and also with the July accounts.

We are pleased to announce that our winner is Lachlan Lush from Gunnedah.

Lachlan will be able to use his \$1,000.00 prize towards a Service on his tractor, towards a Machine or to purchase Spare Parts or Toys.

Our congratulations to Lachlan and our thanks to all the customers who put in entries.

\$1,000.00

Another Winner.....**Congratulations to John and Juanita Hamparsum** of Breeza on being named this year's winners of the Brownhill Cup.

The Hamparsum family was awarded the Cup for their innovative farming practices and for their role in championing sustainable farming practices.

Pictured at Agquip is Gordon Brownhill presenting the Brownhill Cup to John Hamparsum, with Tim Harvey from the Commonwealth Bank.

Jamie Rutter, myself, Sharon Housden

Tony Housden and David Hartmann

Merv and Bronwyn Leard

Some "happy snaps" from the Tamworth Business Chamber Quality Business Awards - an enjoyable night with great company, delicious food, good entertainment and some very pleasant red wine! My thanks to my friends Sharon Housden, Yvonne Richards and Jeannette Melville for joining our table, it was a fun night, I appreciate your support and friendship. My thanks to all the staff for their continued efforts. Sometimes a little recognition goes a long way and winning another Tamworth Business Chamber Award is wonderful recognition for all concerned. ..Susan Goodwin

Myself, Yvonne Richards and Jeannette Melville
