

#### New Holland T5.115 to Narrabri

Toby Maxwell from Australian Grain Technologies Pty Ltd first approached Peter Kenny at the 2016 Agquip field days looking for pricing on a 110-120 horsepower tractor for their operation at Narrabri. After some research into models and specifications Toby decided on a New Holland T5.115 Electro Command tractor. A specific requirement for the chosen tractor was narrow tyres so the tractor was a Factory Forward Order. On arrival full hydraulic Auto Guidance was fitted with the latest XCN-2050 Screen operating. The tractor was set up on 2.0 metre wheel centres for work in the Trial plots that AGT run. Toby is pictured at the delivery installation at AGT, Narrabri.

#### Hay Plant update at Keepit Dam

After taking delivery of two new New Holland tractors this year Rod Hojer also decided to update his haymaking machinery. Rod is pictured at left with his New Holland RB150 Super Feed Round Baler. He also has a new 313 Mower Conditioner and BC5070 Small Square Baler to be delivered this week. The new machines will be used in his haymaking operation. Rod also took advantage of CNH Industrial Capital's easy application process & competitive Finance Rates.

#### Getting ready for Haymaking

Graham Hammond is pictured with Nathan Keel, Goodwin Kenny Hay Service Technician, discussing the set-up of the New Holland H7230 Mower Conditioner. Graham, with his parents Ron & Gay at Raffia, Dungowan will be starting their new New Holland H7230 in the next week or so. The Hammond family have been long-time customers at Goodwin Kenny and recently decided to update their New Holland 1465 Haybine Mower Conditioner which has given them good service over the last 13 years. Graham was looking for a machine that will mow quicker and condition better and chose the H7230 with 2point hitch and 3.16 m cut.

#### New Holland 313 Discbines are the Flavour of the Season

Don and Shirlyn Howard were recently faced with the decision to repair their existing New Holland 1431 or update to a New Holland 313 machine. Critical in this decision was the time frame associated with their next cut. They decided to buy a new machine and it was recently started at their Manilla property. The New Holland 313 has 8 discs, 2 point hitch and 4.0 m cut. Don is pictured at left at the start-up of their New Holland 313 mower. Their New Holland 1431 was traded and has had all repairs done and is now looking for a new home! **There has been eight New Holland 313 mowers retailed this season so we now have good trade machines in stock.**

#### New Holland BB890 Baler ready to go to work

Ivan, Rosanne and Matthew Mann at Dungowan have taken delivery of their new New Holland Big Square baler. The BB890 makes an 8x3x3 bale and this machine has been factory fitted with a tandem axle for greater flotation in soft soil areas. The baler will be used to give the Mann's flexibility of baling their own crop when it is ready rather than rely solely on contractors. The Baler will give them the ability to do some contract work themselves as an "add on" to their existing contracting business. This New Holland BB890 is a Standard Packer machine suitable for all crop types either hay or silage, operated from an Intelliview IV touch screen monitor. Most settings and adjustments can be made without leaving the cab. Standard features include blowers for knotters, full bale eject system and a full lighting package. Pictured: Nathan Keel - Hay Service Technician, Tony Housden - Salesman and Matt Mann.

**In stock at Tamworth and Gunnedah** - a range of New Holland tractors from 75 HP to 315 HP, Round & Small Square Balers, 313 & H7230 Mowers, SIP Rakes, McHale Bale Wrapper, Challenge Hay Handling, Silvan Sprayers & Spreaders, Jarrett & SXM Slashers.

## GOODWIN KENNY

Tractor & Farm Machinery Dealers since 1962.

Tamworth

Nathan had 4 years experience as a contractor before he commenced his TAFE & Baler/Haymaking training with us in 2014.

**Luke Wiegold**  
Tamworth

Luke has successfully completed his 1st Year Mechanical Apprenticeship & he starts this year as a Second Year Apprentice.

**Cooper Patterson**  
Gunnedah

Cooper Patterson has joined our Gunnedah branch as a 1st Year Mechanical Apprentice. Cooper is a Gunnedah local lad.

### Position Vacant - SERVICE TECHNICIAN - GUNNEDAH

Duties include Service repairs on tractors, combine harvesters, sprayers and haymaking equipment. Applications can be sent by email to: [sgoodwin@goodwinkenny.com.au](mailto:sgoodwin@goodwinkenny.com.au) Or call Peter Kenny (02) 6742 5777

### Challenge AP35 Plus Loader

Neale Bruce, Berkeley Park Stud, Blandford recently purchased a new front end loader for his New Holland TD90D tractor. Neale freighted the tractor to Tamworth workshop for fitment and some other repair work while here. Once delivered back to his property our Service Technician Nathan Keel called in to carry out a Product and Safety Installation of the loader with Neale. A Challenge Wrapped Round Bale Grab and Pallet Forks completed the package. Neale is pictured with the Challenge/New Holland loader and his TD90D tractor.

The Challenge Implements site at Agquip was busy this year with a number of inquiries and sales. One sale was to Troy Atkins, Wingham, pictured here with our Service Technician, Levi Alley, discussing the use of his new Challenge G30 3.0 metre rear grader blade.

Darryl & Zeb Greenaway, Greylands, Collarenebri purchased Silvan 600 Litre Pasturepak with 6.0 metre Field Boom and 100 metre Pitarm Reel prior to end of June for use at a property they have purchased locally. With busy times out west and the current dry spell Darryl has been busy but made time last week to visit at Tamworth and become familiar with his new Silvan sprayer. As with all Silvan sprayers that we sell, we set them up at the branch and run them, then have the customer/user come in to have the unit installed to them so that can be familiar with operation and safety. Our Service Technician, Levi Alley, showed Darryl the basics and will be available for any follow-up questions Darryl has once he starts his spraying on farm.

This SIP 600-20 Twin Rotary Rake was loaded and delivered to property during September and will be started up soon. Steve and Madonna Rowe at Dungowan decided it was time to update their rake and Steve is hoping that the new rake will enable him to get across his paddocks a lot quicker than his current rake.

We currently have in stock a SIP 600-20 Twin Rotary Rake, a SIP 360-10 single and a Farmliner 350-9 single Rotary Rake.

### **MONTHLY WINNERS** Congratulations to our New Holland Cap winners -

Keranna P/Ship - Tamworth, RIFA Salutory Aust - Garoo, P & N Tull - Gunnedah

This month we have **3 NEW HOLLAND CAPS** to give away - simply return your payment by Wednesday 25th October 2017 to go into the draw.

We would also remind customers that we accept Visa & MasterCard over the phone

& Debit cards may be used at our Branches. All payments by these methods are included in the monthly draw. Electronic/Internet Payments on the last day of the month cannot be allocated until the next day - it would assist us greatly if payments could be made prior to the last day of the month to allow receipting and allocation to accounts prior to Month end.

**For Account Enquiries email: [accounts@goodwinkenny.com.au](mailto:accounts@goodwinkenny.com.au)**

### **JOKE OF THE MONTH - the Husband Store**

A store that sells new husbands has opened in New York City, where a woman may go to choose a husband.

Among the instructions at the entrance is a description of how the store operates: You may visit this store **ONLY ONCE!** There are six floors and the value of the products increase as the shopper ascends the flights. The shopper may choose any item from a particular floor, or may choose to go up to the next floor, but you cannot go back down except to exit the building! So, a woman goes to the Husband Store to find a husband. On the first floor the sign on the door reads:

**Floor 1** - These men Have Jobs. She is intrigued, but continues to the second floor, where the sign reads:

**Floor 2** - These men Have Jobs and Love Kids. 'That's nice,' she thinks, 'but I want more.'

So she continues upward. The third floor sign reads:

**Floor 3** - These men Have Jobs, Love Kids, and are Extremely Good Looking. 'Wow,' she thinks, but feels compelled to keep going. She goes to the fourth floor and the sign reads:

**Floor 4** - These men Have Jobs, Love Kids, are Drop-dead Good Looking and Help With Housework.

'Oh, mercy me!' she exclaims, 'I can hardly stand it!' Still, she goes to the fifth floor and the sign reads:

**Floor 5** - These men Have Jobs, Love Kids, are Drop-dead Gorgeous, Help with Housework, and Have a Strong Romantic Streak. She is so tempted to stay, but she goes to the sixth floor, where the sign reads:

**Floor 6** - You are visitor 31,456,012 to this floor. There are no men on this floor.

This floor exists solely as proof that women are impossible to please. Thank you for shopping at the Husband Store.

### **Keeping you up-to-date:**

It was lovely to receive a message and this photo during the month from Peter Gett at Narrabri.

Peter and his father, Neville, have been long-time customers at Goodwin Kenny. Neville is now 85 and still loves to get on the tractor and make some hay, seen here baling Oats. He particularly loves the New Holland BC5070 small square baler which they purchased from Goodwin Kenny in 2011. It was good to have a chat with Peter and see how the crops were going and what the weather was going to do - I always like to ask farmers what their forecast is for rain. Hopefully Peter will be right and we will see a bit of a change over the next two weeks and better rain heading into November and December.

The saying "it is a small world" is certainly true.

Earlier in the year Darryl & Zeb Greenaway, from Collarenebri, were looking for good Used tractor for a property they have purchased at Tamworth.

I first met Darryl and Zeb in 2010, not long after their son, Gus, had been doing some Work Experience in our workshop while he was at Farrer High School. So it was really nice to renew the acquaintance and find them a suitable tractor. Darryl was in Tamworth for business so he called in and we were able to carry out a full Product and Safety Installation of the used tractor and new Silvan sprayer prior to delivery. The installation was done by our Service Technician, Levi Alley, but somehow I ended up in the photo with Darryl!

Some Photos from the Tamworth Kangaroos AFL Presentation Night - it was great to attend as a sponsor of 15 years, wonderful to see the Roo Ladies doing so well in their first year and good to see the Team Spirit amongst the Roo boys.

...Susan Goodwin
