

Spotted the "Special" at Agquip

Robert Taylor visited the recent Ag-Quip field days. While there he spotted the "Ag-Quip Special" on the New Holland TT4.90 ROPS tractors with loader. These versatile machines were keenly sought after over the 3 days with a number of orders taken by the New Holland dealer group. Robert decided this offer was for him and placed an order for his machine. The new tractor will replace his Fordson Super Major Selecto-Matic. Pictures show Robert looking very pleased, now it is "out with the old, in with the new".

Greyhound Breeders update their New Holland Workmaster 40 tractor

Geoff Rose from the Greyhound Breeders Owners and Trainers Association recently received new track levelling equipment for the Gunnedah Sand Track. This needed an upgrade of their existing New Holland Workmaster 40 tractor. Geoff opted for a New Holland TT4.65 machine fitted with a Challenge front end loader and 4 in 1 bucket. The extra horsepower in the TT4.65, at 65 horsepower, will easily cope with the new equipment. Geoff is pictured with the new tractor at the track.

TD5.100 Chosen

After inspecting the New Holland tractors at the Tamworth branch in June, Richard Murray decided to head to Agquip to have a look around for his new tractor and after inspecting a number of tractors, he decided to purchase a new Holland TD5.100 with Challenge AP35S Plus front end loader with 3rd function and 2460 mm standard bucket. Richard is pictured with Service Technician Levi Alley at the Tamworth branch following his product installation. After clocking up 55 hours quickly for his First Service Richard said he is very happy with his "air conditioned" comfort and the versatility of the tractor/loader at his Dungowan property.

Two more New Holland 313 Mower Conditioners delivered

Rod Hojer of Keepit Dam (at left) has recently taken delivery of a New Holland 313 Centre Pivot Mower Conditioner. Rod has upgraded all his hay gear to New Holland equipment. The Mower will be used for his Hay making operation and possibly some contracting in the local area. In June, Heath White at Barraba (at right) also decided to update his Case SMX91 to a New Holland 313 and the new machine was started up in the paddock this week.

New Holland out in front

Kevin Blake from Ghooli recently purchased a New Holland HB0030 Draper Front for his existing New Holland H8060 Windrower. The Blake family run a Hay contracting business in cutting, conditioning and baling both large square bales and round bales in the Gunnedah area. The front was started in a failed

Barley crop in the Mullaley district. New Holland's Hay Specialist, Ross Aylwin was on hand to lend his expertise to Tim Blake on the calibration and set up process during installation, with Cooper Patterson and Mark Kenny.

In stock at Tamworth and Gunnedah - a range of New Holland tractors from 75 HP to 315 HP, Round & Small Square Balers, 313 & H7230 Mowers, SIP Rakes, McHale Bale Wrapper, Challenge Hay Handling, Silvan Sprayers & Spreaders, Jarrett & SXM Slashers.

Steve and Madonna Rowe, Dungowan, have purchased a new rake for their Haymaking operation. The SIP 600/20T is a double rake with 20 individually replaceable spring tine arms. Each arm has four double spring tines. It has a tandem frame and two height adjustable rotors and is designed for two single swathes or one double swath.

The SIP 600/20 was on display at Agquip and Goodwin Kenny currently has one in stock at Gunnedah branch assembled and ready for inspection or to be put to work.

Mark and Cheryl Lowe at Moonbi needed a new sprayer to immediately get some spraying done at their farm at Moonbi. A Silvan 800 Litre Pasturepak with an 8 metre Field Boom was chosen.

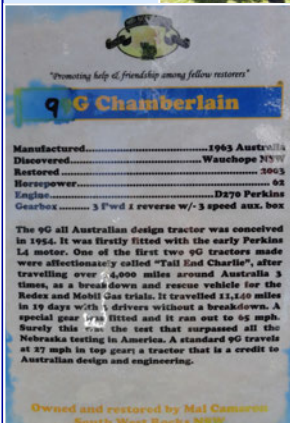

The spray unit was set up and tested, then delivered and installed to farm worker, Josh Lott (pictured). Goodwin Kenny have Silvan Pasturepaks in stock as well as a range of nozzles, tips and strainers to maintain your sprayer so that it performs at its best.

The Rotary Dungowan Village Fair & Motor Show was held on 14th and 15th October and there was lots to see. The grounds looked

MONTHLY WINNERS Congratulations to our New Holland Cap winners
 Crestmill Pty Ltd - Curlew, VT Melbourne - Narrabri, R Steel - Manilla

This month we have some **CHALLENGE STUBBY HOLDERS**
 to give away - simply return your payment by
 Monday 27th November 2017 to go into the draw.

We would also remind customers that we accept Visa & MasterCard
 over the phone & Debit cards may be used at our Branches.

All payments by these methods are included in the monthly draw.

Electronic/Internet Payments on the last day of the month cannot be allocated until the next
 day - it would assist us greatly if payments could be made prior to the last day of the month
 to allow receipting and allocation to accounts prior to Month end.

JOKE OF THE MONTH

Two local drunks, after a particularly big day at the local pub,
 got lost trying to find their way home and ended up on the
 train tracks leading to town.

After proceeding, stepping sleeper to sleeper for 5 kilometres,
 one pulled up exhausted and said to his mate "this would
 have to be the longest set of stairs I have ever walked up!"
 The other said "You bet, but that's not what is getting at me.
 These bloody low handrails are killing my back!"

Keeping you up-to-date: Another busy month has passed -
 during the month there were a number of local events and I was
 fortunate to attend a few. The Rotary Dungowan Village Fair & Motor Show was held on 14th and 15th October and was well
 attended. It was a beautiful day at Dungowan to be walking around and looking at all the antique tractors and engines, "window
 shopping" through the stalls and having a chat with the locals. The ride-on tractors were very popular with the children and Paul Cox
 and helpers were kept very busy with "tractor drivers" at this site. Goodwin Kenny provided a metal New Holland Ride-on tractor last
 year and Paul has built a number of other models since, and we were happy to support the event again this year.

October was Breast Health Awareness Month and as a committee member of local group Serendipity
 I attended a Black Friday Dinner at the Powerhouse on Friday 13th October with friends for an
 elegant and fun filled evening raising awareness and also funds to support local Breast Cancer
 patients. On the night we had an informative and hilarious "Breast related" Trivia Quiz and a raffle.
 Did you know that 1 in 8 women will get Breast Cancer? And that Serendipity donated 10 beds to
 Inala House here in Tamworth? And that Dolly Parton wears a 40 Double "D" bra? Or that most
 women are a size B and would like to be a size C?

I was very pleased to see one of our customers, Ernie Hill, take home the Ford tractor model prize.

On Sunday 14th October
 I joined fellow committee
 members, Robyn Barton,
 Helen Hill, Adele
 Holtsbaum and Liney
 Manning at the Peel
 Street Markets to "spread
 the word" to the public.
**I hope to see you at the
 Nundle Art Show.**
