

New Holland tractor number 3 for the Kuhn family

Martin and Megan Kuhn have recently taken delivery of their third New Holland tractor. The New Holland TD5.110 has been fitted with a New Holland/Challenge AP35 S Plus front end loader, 4 in 1 bucket, pallets forks and a round bale grab. This machine will be used in the feeding of cattle at their Bundella operation. Pictured at the delivery and installation are Marcus Kuhn with his father Martin Kuhn.

Making Hay at Wee Waa

With an irrigated block of Barley ready to cut about 150 bales per acre, Toby and Jess Wilson were looking for a more reliable (therefore quicker) way to get a return in these difficult conditions rather than using their older New Holland 417 baler. Toby has chosen a New Holland BC5070 baler with the wider pick up which will be more suited to the cereal hay he predominately produces for himself and contract customers.

This model is standard with Hydraulic swing and pickup lift. A factory fitted oiler system ensures lubrication to critical knottor points. Road lights and Work lights ensure efficient and safe work through the wee small hours when baling. During Predelivery the baler was plumbed and wired ready to connect his accumulator by Nathan Keel, Hay Technician at Goodwin Kenny.

Toby is pictured with some of the first bales.

Note of interest - Toby listed the old New Holland S417 baler at a realistic price on Facebook and sold it within 10 minutes. *We have sold a number of used haymaking machines recently, both locally and quite a distance away (Biloela QLD), there is always someone looking for machinery somewhere, so if you have surplus tractors or equipment you think may be saleable contact Goodwin Kenny.*

Slash It, Rake It !!

The rain will come and the grass will grow and Moonebah Pastoral will be ready to keep on top of that growth with their new Jarrett 7' Slasher which was recently collected at the Tamworth branch. Moonebah Farm Manager, Mark Ranger, is pictured with Goodwin Kenny Service Manager, Ken Hatton, at the installation of the slasher. Goodwin Kenny currently have Jarrett slashers in stock.

Mark also ordered a Burder Stick Rake for a bit of a clean-up on the property.

The Burder 9000 Series Rake is 3.0 metres with wings, mesh in-fill and mesh top and hitch to suit their tractor. The Burder Rakes come in widths from 1.2 metre to 3.0 metre with the wings, mesh in-fill and mesh top available as options. Call us to discuss the full range of Burder Stick Rakes, Blades, Forks, Counterweights and attachments.

GOODWIN KENNY is open Saturdays: At Tamworth from 9.00am - 12.00pm | At Gunnedah from 8.30am - 11.30am

Strautmann Mixer chosen at Agquip

With the need to optimise hay and grain in the current dry spell and get cattle finished, Richard Chaffey from Attunga decided to purchase a feed mixer. After talking to Goodwin Kenny about options prior to Agquip Richard decided to have a look at what was on display, and was lucky enough to see and purchase a Strautmann mixer on the Inlon Equipment stand at AgQuip. (Inlon have said they could have sold that machine many times over on the stand.) Strautmann is a quality German made mixer - the Vert-Mix 1251 is a Vertical auger, side discharge unit with 10 cubic metre capacity (Just big enough for one big bale and a bit of grain). The main benefit of the mixer for Richard is taking the guess work out of feeding, having weigh scales ensures he knows exactly how much feed and additives are going out with each mix. Pictured after the first mix was completed, is the always smiling Richard Chaffey.

ROOS - myself, Vince Woodgate, Sharon Harris & Craig Abbott

TJC - Rachel Young, myself, David Bastable & Kay Jeffrey

Staff - Jamie Rutter, Peter Mackay, myself & David Hartmann

At the Tamworth Business Chamber Quality Business Awards at TRECC on 10th August - no gongs this year, but still grinning. Congratulations to all the Nominees, Finalists and Winners and Thank You to all our customers and Congratulations to our Staff. Goodwin Kenny was very proud to be announced as a Finalist in 3 categories - Excellence in Community Involvement, Excellence in Customer Service Trades & Services and Excellence in Customer Service in Motor Transport Sales & Service and I was also proud to be a Finalist in the Outstanding Business Leader category. It was lovely to have the company on our table of representatives from two clubs that we sponsor - **Tamworth Kangaroos AFL Club and Tamworth Jockey Club.**

The **Arts GUNNEDAH** 48th Art and Ceramics Exhibition featured over 300 works showcasing many new and experienced artists, many of them local. I was pleased to be an exhibitor, a sponsor and a visitor to the Exhibition, and very happy to find that my painting "Stripes and Lemons" had won the Novice Section and my pastel drawing "Café Culture" received a Highly Commended. Some fabulous works from local Gunnedah artists - Shirley Urquhart's "Book Club Tonight" and Julie Laurie's "Another Lamb Mum" catching my eye, as did many of the bright and colourful works.

CALROSSY P&F BALL was held on Saturday 25th August and it was a fun night with Alison & Aaron Hudson, Doug & Cathy Neill, Barry & Jane Cord, Kevin McCorriston and Vicki & Chris Fay. Great music from Splashpool, a delicious dinner and it was good to catch up with some old acquaintances from my days at Calrossy as a parent and P&F President, and even better that after this Ball I was not on the clean-up committee. Thank you Rob Collins, Mick Wilson and the P&F, I am looking forward to the Calrossy 100 year - Centenary Ball next year in September.

Congratulations to the Tamworth P&A Show Committee - It was great to see a huge crowd at the Rodeo on Saturday, lots of entertainment for the kids, events for local school children and accomplished riders, Cattle parades and the Show Girl competition, as well as the displays around the AELEC arena from the Quilters, Photographers, Artists and good cooks, along with retail outlets and information booths.

Serendipity Committee Tamworth held a display and were happy to support the Show while raising awareness of Breast Health. Pictured are local member Kevin Anderson drawing the lucky winners of the raffle with Liney Manning (President), Susan Goodwin (Vice President/Secretary) and Adele Holtsbaum (Treasurer).

Hoping that we are one day closer to some much needed rain, Susan Goodwin
