

A new tractor was the best option

Neville and Kathy Bromage have owned a New Holland TL100A tractor since 2005 that they purchased new from Goodwin Kenny and has given them great service. Recently Neville had been on the lookout for a tractor with more horsepower and had inspected a few used tractors, with a view to upgrading. After discussing this with Susan Goodwin and Tony Housden and outlining all the features that he wanted in his replacement tractor a quote was done and Neville was able to purchase a new tractor and have 2 year warranty peace of mind. The New Holland T6020 Plus tractor is 112 HP and is fitted with Challenge L3900s front end loader and hydraulic locking quick coupler for ease of operation.

Pictured having a look over the new tractor, just prior to delivery, is Susan Goodwin with Neville Bromage.

New Holland Mower Conditioner completes the package

After taking delivery of a New Holland TD5.90 tractor and a New Holland BC5060 small square baler during the last year Anthony Honess has recently upgraded his old New Holland 489 mower conditioner and taken delivery of a new New Holland H7230 Discbine mower conditioner. The new mower will greatly increase the efficiency of his hay production with a faster mowing speed and cleaner cut and ensure he gets the job done in a timely manner before showers of rain. The delivery/installation was carried out on farm by Goodwin Kenny Hay Technician, Nathan Keel. Anthony is pictured at left with his new H7230 mower.

Updated Cutting at Woolomin

In a move to keep his hay plant up-to-date, Martijn Joosen has decided to update his reliable John Deere 830 Mower Conditioner to a new New Holland 313. The New Holland 313 is wider with 4 metre cut, has Chevron rubber rollers, quick change blades, centre pull for cutting either side of the tractor and a 2 point linkage hitch. Discussion with a neighbour who also owns a New Holland 313 confirmed this model as being really suitable and reliable. After the first cut with the mower Marty is very happy with his new machine and also with the attractive CNH Industrial Capital Finance deal. Martijn is pictured at delivery/installation.

Agquip purchase working

Daniel and Amanda Galvin recently purchased a grazing block on the outskirts of Gunnedah. Although working full-time in the Hunter Valley Daniel's aim is to run cattle on this block when not contracted to his employer. At this year's Agquip field days Daniel contacted Peter Kenny at Gunnedah to get pricing for a tractor and loader combination. Daniel chose a New Holland TD5.110 cab tractor with a Challenge AP35S front end loader, pallet forks and 4 in 1 bucket. The tractor has been put to work clearing the paddocks of old material so that new tanks, troughs and poly pipe can be installed to fully utilise the paddocks. Daniel is pictured with his new tractor at work.

Just like Santa's Reindeers - our tractors are lined up and ready to go.....

And with a Price Rise in January 2019, now is the best time to inspect and order your tractor. Challenge front end loaders with buckets and attachments can be added to suit your requirements. See our Special No Trade Tractor prices (strictly valid to 21.12.2018) on our stock tractors

A little bit of rain and the weeds come out!

David Bright needed a new sprayer to get over some of his country where the weeds were growing. David chose a Silvan 800 litre Pasturepak with a 10 metre Field Boom. Instead of a Foam Marker David opted for a New Holland Ez-Guide 250 GPS Lightbar system with Antennae Upgrade. An electric control valve that is operated by a foot switch was also fitted, this suspends spray output and the GPS tracking on screen. David is pictured with his new sprayer after an installation at Tamworth branch.

The **For the Love of Art** exhibition was held at the Tamworth Regional Gallery from 2nd to 26th November. Opening Night saw a crowd of over 200 people to view the 125 works on display from the 45 students of Maria Henry. Pictured are Fiona Little, Blagoj Ristevski, Maria Henry, Susan Goodwin, Cathy Neill & Barry Cord (some of Tuesday night's students). Maria holds classes at the Craft Shed - some days and Tuesday nights.

Hold on to your hats! - Despite a very hot & windy day on Tuesday 6th November we had a fun day out at **Tamworth Jockey Club** for the Melbourne Cup, with a Seafood lunch and a few cold drinks. There was a large crowd in attendance, many beautifully dressed for Fashions in the Field. Even backed a few winners!

Not quite the Archibald's!! The **MOREE PORTRAIT PRIZE** Opening Night was held at BAMB (Bank Art Museum Moree) on Friday 23rd November. There were 35 entries in the Open Section, and 147 entries over four categories providing a wide variety of portraits in various mediums. With over 200 people in attendance the Open winner was announced as

Amy Canfield for "Dreaming to meet you" and the Local prize went to Lucy Midgley for "Of mouse and men". Both were lovely works done by two young women from Moree.

I was born in Moree, so when I saw the Moree Portrait Prize advertised in the New England Living magazine I thought it would be good to enter a portrait I had done of Sandy Brooks and support my old home town. It was lovely to visit my mum, Joy

Lillyman, and have her attend the Opening Night with me (Photo courtesy of Moree Champion) and it was fun to catch up with some old "Moree" acquaintances and hear some nice comments about the painting. The exhibition runs until 24th December, so if you are in Moree call in at and have a look.

2018 ARCHIBALD PRIZE
TAMWORTH REGIONAL GALLERY
1 DECEMBER - 27 JANUARY

And this is the Archibald's! At the Tamworth Regional Gallery (TRG) until 27th January 2019. An amazing exhibition of the paintings chosen this year from 794 entries, when only 57 finalists are chosen. The exhibition showcases the Winner, the People's Choice and the Packer's Prize. I was lucky to see the exhibition at a special preview on Thursday 29th November with other TRG members and hear Pia

Hughes, Art Gallery of New South Wales Volunteer Guide Coordinator, talk about the Archibald process and the portraits which was so informative, interesting and entertaining. This exhibition is well worth a look and is free. TRG are also conducting some guided tours, contact TRG on 67675248.

Christmas Trading Hours on page 2, we will be CLOSED on Monday 24.12.18 Christmas Eve and Monday 31.12.18 New Year's Eve, Wishing you a Merry Christmas and a Happy New Year.
