

### So there are a few rumours about....

.....just to let you know, I am not getting married !  
.....but I am retiring !

**GOODWIN KENNY** has sold and serviced agricultural machinery in the New England and North West region of New South Wales for over 56 years, first as a Fiat Dealer from 1962 to 1991 and then as a New Holland Dealer to the current day.

I have been with the company for just over 31 years.  
Peter & Mark Kenny have been with the company for nearly 40 years.

The end of an era will be on Friday 31st May 2019 when **GOODWIN KENNY** will have their last day "at the office".

Many of the Staff will have the opportunity to transition to the new New Holland dealer - Double R Equipment, with Rusty Russell.

We would like to thank our staff for their efforts and their loyalty to the business. The current staff have a combined tally of 95 years of service. Our thanks also to our past employees who have contributed to the longevity of the company.

We would like to thank our many customers for their support over the 56 years of our business.

We wish Rusty and his team all the best for the future.

Please do not hesitate to contact me if you have any questions about the transition, if you need invoice copies or any other matter.

### Coming Soon! – Double R Equipment – New Holland at Tamworth and Gunnedah

What does it take for a Business to survive and thrive for over 50 Years? What are the priorities of a three generation Business?

#### TEAM AND CUSTOMERS

Congratulations to Goodwin Kenny on your outstanding record in supporting Team and looking after Customers!

Double R is both honoured and excited to carry the banner forward. With equal values, Double R is set to represent New Holland's quality range of products and additional Farming Equipment from Tamworth and Gunnedah.

Double R started in 2005 with a single Diesel Mechanic, and now in 2019 Double R will have Branch number Six.

**Double R Tamworth** will open on Monday 3rd June, joining Gunnedah, Maitland and Mudgee in New South Wales, Leinster and Karratha in Western Australia.

Double R will be your Dealers for the wide range of quality New Holland Equipment, backed by extensive Trade Service to keep your Tractor and Equipment moving your Farming operation forward. The team to support your needs will include familiar and friendly faces from Susan's Goodwin Kenny staff as you continue to be supported for Sales, Parts and Service.

**Double R Tamworth** will be located on the corner of **Dampier Street and East West Place, Tamworth from Monday 3rd June**. While at Gunnedah New Holland will have no change of location with **Double R Gunnedah** ready to trade from 42 Oxley Highway, (Goodwin Kenny Mullaley Road site) on Monday 3rd June.

A new chapter is ready to be penned, I personally wish Susan all the very best as she makes retirement plans. I'm sure painting in Tuscany will feature.

We look forward to working with the Tamworth and Gunnedah Team and continue to provide outstanding customer service and support to the region.

If you have any questions, please give me a call.

Having recently purchased a Pecan orchard at Kootingal, Graeme Hudson needed a new mulcher to tidy up the prunings as well as general weed control around the rest of the farm.

The Nobili VKD210 is a robust 2.1m cut machine designed for Orchard and pasture mulching. Graeme's machine is fitted with Hydraulic Side Shift to reach out under the tree canopy, Y flails and a rear roller with rakes to hold any

The 56th Currabubula Red Cross Art Show and Sale will be held from Thursday 16th May to Sunday 19th May 2019.

The Opening Night will be held on Thursday 16th May 2019. [www.currabubulaartshow.com.au](http://www.currabubulaartshow.com.au)

As this will be my last newsletter here is a sneak peek at a couple of my Entries in the Local (Amateur) section.

The Booragul Annual Bull Sale will be held on Wednesday 29th May, you can see details on their website or Facebook or contact Tim Vincent. I have always planned to attend one of the sales and catch up with Jim and Marg Vincent (Jim worked at Goodwin Kenny for many years) and also Tim and Margaret Vincent. Maybe next year I will get there, when I am not so busy.

I like to promote local talent and am going to mention something a little "closer to home"..... my daughter Gina has her own web based business, **Walandella Designs** (Wal and Ella were Peter's grandparents). Many of you have asked me over the years if

handmade clothing and accessories for the little love in your life

handmade in Australia

E: [walandella.designs@hotmail.com](mailto:walandella.designs@hotmail.com)

[www.facebook.com/walandelladesigns](http://www.facebook.com/walandelladesigns)  
[www.walandelladesigns.ticetail.com](http://www.walandelladesigns.ticetail.com)

Gina was going to take over at Goodwin Kenny, well now that opportunity will not be there and I think she is happy "doing her own thing". If you are looking for some handmade clothing and accessories for babies and children, check out her website or her Facebook. I recently asked her to make some "tractor" bibs for me that I could give to customers that have had babies and these are what she has made and sent to me. She also makes bloomers, skirts and other bibs as well as special orders from chosen fabrics.

Four weeks to go and so much to do! And while Goodwin Kenny will no longer be here or a sponsor of local events I do plan to stay in Tamworth, find more time to paint, dance, renovate the house and do all that after I clean out the offices and the garage at home. I hope to see many of our customers and staff at local events like the **Tamworth Jockey Club Ladies Day on Saturday 8th June** or at **Wean Picnic Races on Saturday 13th July**. I have loved my time at Goodwin Kenny and certainly would not have stayed for the last nine years after Peter's passing had I not enjoyed it, but the time has come and I believe we can all be proud of what Goodwin Kenny has achieved in the last 56 years. Please do not hesitate to phone, call in or email if you have any questions.

*..Susan Goodwin*
